Tell us, and our girls, what you want more and less of!

ALL ABOUT EVE!

I've got a personal list of porn stars I'd love to see doing sex with men in films, and you managed to fit about 4 of them into one issue! I realise that I'll almost certainly never see Jo Guest do hardcore – well, apart from those soft photos she did years ago – but I do hope that Eve Angel, Julia Crown and Stella will still do some. I've seen Stella – or Sophie Moone as I know her – do some when she started out, but she seems cock-shy these days. As for Eve and Julia, I can only hope!

Danny, Norfolk

We have mixed feelings, Danny. We also have a list of girls we'd like to see in full hardcore action, but our very own Jo isn't one of them. We're glad she kept on the straight and narrow, so to speak! As for Eve and Julia, we're with you there. We've had Julia on the cover a few times now, which speaks volumes as to how much we love her!

MORE GUEST LOVE!

Dear all,

Sorry to interrupt your busy day, but I just wanted to say thank you for bringing back the Jo Guest sets to your excellent magazine. I will definitely keep buying it every month.

Thanks again,

Dave, Kent

PS. There was a wonderful policewoman set she did a long time ago – would love to see that again if you have it.

Hello,

I can't believe it, you have just made your brilliant publication even better, by adding the one missing ingredient, namely the lovely Joanne Guest.

Deep joy, cheers,

John

Well, thanks guys. We're glad you're happy to see her back. While we can't make new shoots with Jo happen, we're really enjoying this trip down memory lane as much as you seemingly are. We're looking in the vaults for shots you haven't seen before as well, and you'll see them first here when we find them!

ROCK OFF!

Oh god. Words cannot explain how much I hate *The Rocky Horror Picture Show*, with its terrible songs and worse acting. In fact, the only bit I can ever stand is when Susan Sarandon rubs her tits. And now there's a porn film based on it. Is there no escape?
Ricki, Taunton

We're with you all the way on the horror of The Rocky Horror Picture Show. A load of camp bullshit. And yes, we like the Sarandon bit too. But the porn parody does have the benefit of loads of shagging – and girls who do a lot more than just stroke their tits!

PHOTOGRAPHY: HANK LONDONER

Normally we can buy US porn stars playing at horny-handed farmgirls. After all, many of them hail from Texas and other US farming areas (we're sure that info is up on Wikipedia). But Arianna (who you might also know as Angelina Armani) is from Brooklyn, New York, and probably hasn't milked a cow in her life.

However, we've seen first-hand evidence of her milking a few cocks with those tempting hands, so we're sure it's just one of the many transferrable skills you can pick up in the jizz biz.

Stick It In!

We love hearing about all your filthy fumblings and sexual shenanigans, so if you've been out pulling birds, up to your nuts in the woman next door, or even just shagging your own missus, make sure to write in and tell us. There's £50 per letter in it for you, so get writing…

HOTEL, MOTEL, HOLIDAY INN

I don't know what you think, but the most hardcore sex I've ever had has been (like they say in the movies) cheap motel room sex. I don't feel comfortable bringing a girl back to my flat most of the time because my flatmate tends to look down on the kind of girls I tend to bring home.

I go to the States quite a lot, mostly on business, and it's there that I've found my sexual niche. American girls, if you know where to look, can be the dirtiest little sluts imaginable. I was in Georgia last year for three days on a very dull assignment. I couldn't wait to finish each day so I could get out on the hunt. The bars down there are full of rednecks, but the girls are as hot as anywhere you might find. On the first night I found this bar called 'Squeaky's' and put myself on the chalkboard to play pool. Soon the locals clocked my accent and started ribbing me about being a Brit. I won a few games then retired to the bar to check the talent.

Within moments a couple of girls had approached the bar and started chatting. One of them, Angie, was medium height, with shoulder length hair and big, firm tits. Her friend Brigitte was blonde and a bit taller. Angie told me she loved English accents and came onto me pretty heavily whilst her friend observed with a disgusted look on her face. After a few drinks I said I was leaving and offered to give the girls a lift home. Angie accepted readily but Brigitte declined.

We got into the car and I asked where her house was, but got no reply; Angie just looked me in the eyes then plunged her head between my legs. I tried to keep my eyes on the road, but this near stranger was grasping at my jeans and dribbling all over my cock. I decided to enjoy the drive back to my hotel, looking down occasionally and relishing the slurping noises coming from between my legs. As we got close (in more ways than one) I had to pull into a lay-by and let her do her work, afraid that I would I get my vinegars and crash into a tree. I undid my seatbelt and turned towards her just as I felt my balls tighten. My hips jerked forward and I propelled my cum right to the back of her throat, squirting six or seven loads over her tongue. She took it all quite professionally before withdrawing slowly and swallowing the lot with a big gulping sound. She looked up and grinned at me, raising her eyebrows as if to ask for approval. This was all mightily impressive and I got back to the motel in record time knowing that I was in for a good night.

We raided the mini-bar for Jack Daniels and got a bit jolly on the bed, then I found the porn channel on the cable TV and we started watching some decent hardcore. The movie had some cool lesbian scenes and I was feeling the stirrings of a second erection coming along. Then a film came on with this dirty little blonde being fucked by two guys and one of them had the hugest dick you'd ever seen. He was stretching this girl's pussy open and it was clearly giving my new friend the horn.

She snuggled up to me and started rubbing the heel of her palm over my semi. Very soon,

my semi became a full-on, and I slid my hand up her skirt to feel her pussy. When I got there she had no knickers on and I could feel that the hair was very sparse. Seeing my expression she confessed, "I just shaved my cunt today". There's not a lot you can say to that is there?

I slid down the bed, lifted her skirt and positioned myself in front of her snatch. There were two prominent lips jumping out at me and I dived in headfirst. I separated her lips with my tongue then she opened her legs a little wider so that I could get better access. Her juices were smeared all over my face and chin and she was gasping for more. I finished her off with two fingers sneakily pushed into her pussy as she climaxed, pulling her pussy away from my probing tongue.

We were still half-dressed at this point, so I lifted her dress over her head and got to work on her bra as she undid my shirt buttons. Once we were naked I pulled her on top and got her to suck me to full strength. She was almost out of breath when I rolled her over and forced my cock into her from behind. I had her lying flat on her front with her legs spread as far as they would go, thrusting in and out easily as her pussy was dripping with juice and saliva.

She kept pushing her arse back onto me and I was afraid that I would come too quickly so I tried a different tack. Most American girls like a bit of anal action, and I figured Ange would be no different. Spreading her cheeks with one hand, I lubricated a finger and shoved it up her arse. She didn't bat an eyelid, so I leant over her and positioned my cock at her entrance (or exit, if you prefer). Slowly, I made my way in, inch by inch until she relaxed enough for me to get balls deep. This was what I'd been waiting for, and I took full advantage, thrusting in and out at full speed and watching her little arsehole redden and yield to my cock. Suddenly I felt her arse tighten and I felt myself letting go. I was half empty by the time I pulled out and sprayed the rest on her buttocks and pubes. As I say, cheap motel room sex, you can't beat it.
Daniel, London

FARE PLAY!

I used to be a taxi driver and I saw loads of stuff going on in the back of my cab over the years. It used to just be the odd girl hitching her skirt up to itch herself, or some bird short of her fare flashing her boobs for a discount. Now and then a couple would get a bit carried away. However, the best occasion was in the late 90's when I got a fare from a nightclub in central London going out to Greenwich. The two girls I picked up were pretty good looking – fit in a dirty kind of way – and a bit tipsy to say the least.

They sat in the back giggling amongst

A slice of vintage Jo sees her visiting a car museum and then proudly showing us her own perfectly preserved headlamps. It's the kind of retro car action we can imagine sitting perfectly in our sister mag *Mayfair*, only we're not letting them get their grubby hands on it!

The great thing about these museum pieces is that they retain their value, unlike most motors which are worth half of what you paid for them the second you drive off the forecourt. Our motor experts, in fact, tell us that the value of these cars tripled after Jo had wiped her juicy pussy all over them, but that goes for everything she touches!

The Wreckage

(Chelsea Films, DVD £12.99)

Four friends, including the gorgeous Cameron Richardson), get caught up in a night of terror in an automobile wrecking yard after they go looking for spare parts in a scrap yard for their own broken down car.

The trouble begins when ex-soldier-turned-mechanic Jared snaps a fan belt during a drag race and – as fate would have it an American slasher movie – the car also happens to be the group's only transport.

The cast makes up for the obvious low budget of the film, Scoot Mcnairy (*Monsters*), who plays the generically goofy hillbilly nephew of the scrap yard's owner, provides some genuine comic moments to counteract the gore. The rest of the characters are likable enough, and include a cranky police sheriff and his would be lothario deputy. The film never stops, there is something always going on to keep your interest. If you can enjoy it for what it is, without too many expectations, you'll find *The Wreckage* anentertaining watch, even if it isn't for the reasons the makers of the film probably intended.

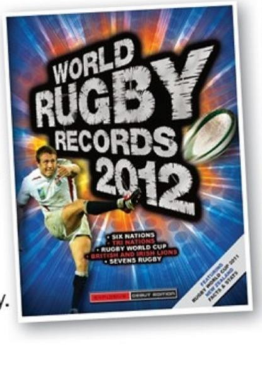
World Rugby Records 2012

(Chris Hawkes, Carlton Books, £19.99)

The football season may have just started again, and is dominating most of the current conversations down the pub, but there are still plenty of rugby matches to be enjoyed and in honour of that legendary moment in 1823 when Rugby school pupil William Webb Ellis picked up a ball and ran with it during a game of football to create an altogether different sport, Carlton have only gone and treated their rugby loving fans with the debut edition of *World Rugby Records 2012*.

This huge hardback is a massive collection of records, facts and stats about the international game. It features the big eight nations as well as every far-flung outpost of the rugby world, as well as information on the six nations, tri nations, rugby world cup, British and Irish lions as well as the sevens rugby, women's and youth sides. There are match reports and statistics for every international match that has been played since the very first, when England Travelled to Raeburn Place in Edinburgh on 27 March 1871 to play Scotland.

An essential for any rugby fan, it is steeped with history.



The Treasures of the Olympic Games

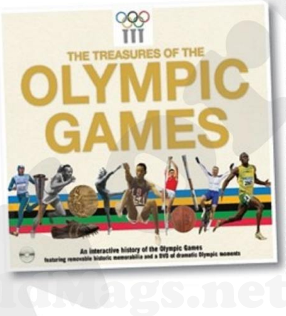
(Carlton Books, £30.00)

With the much anticipated opening of London 2012 now just under a year away, a lot of focus is currently on who is going to get those gold medals. In celebration of the impending games, Carlton have published this fact-packed new book in association with The Olympic Museum.

Mapping out the life of The Games, right from the beginning in 77BC, ancient Greece, through to its revival in 1896 and the subsequent modern games, this showcases an exceptional archive that captures the organisations absorbing history and a wealth of sporting achievement.

This huge array of facts and photos really does justice to the only event today, sporting or otherwise, that projects its television coverage to 220 countries. It also shows how a Summer Games contested now by as many as 10,500 competitors in approximately 28 sports struggled for its first two decades to stay alive.

Including over 200 photographs, 20 items of rarely seen memorabilia and a DVD of some brilliant and dramatic sporting moments, it is the perfect read for any sporting fans and ideal to bone up in time for 2012.



THE TREASURES OF THE OLYMPIC GAMES
An interactive history of the Olympic Games featuring removable historic memorabilia and a DVD of dramatic Olympic moments

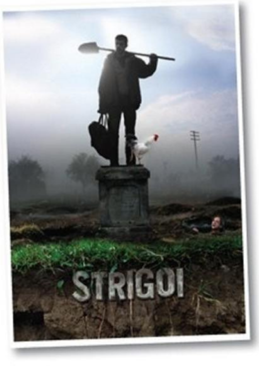
Strigoi

(Bounty Films, £16.34)

You'll probably be pretty damn happy to hear that this is nothing like *Twilight*, instead it is a vampire film filled with plenty of black humour surrounding a remote Romanian village and an ancient myth called 'Strigoi'. Good old Wikipedia tells us that 'Strigoi', in Romanian mythology, are the troubled souls of the dead rising from the grave, and this film portrays this brilliantly with loads of twists and turns to keep your attention the whole way through.

The story evolves around Vlad, a young man who is returning to his grandfather's village from Italy and finds him self suddenly investigating a mysterious death that then poses some questions concerning the land ownership and community. The leads the story to an ex-communist bully, called Constantin, and his wife, and then when Vlad digs deeper, he discovers that these two, who just happen to be the richest landowners in the village, have themselves become bloodsuckers (pun intended).

A dark comedy and a refreshing change from the present popular teen vampire culture, *Strigoi* is definitely worth a watch.



RILEY

PHOTOGRAPHY: HICKS

We're not entirely sure how to describe Riley's lovely nose. Is it Roman? Is it aquiline? Either way, we think it imparts a hint of 'look but don't touch' haughtiness that makes her even more sexy. Of course, it helps that she doesn't have any clothes on most of the time. If she was wearing a woolly jumper and a hat, we might not see the appeal.

We also think that the nose is an often overlooked aspect of glamour modelling. Yes, boobs and fannies and bums are legs are important, but just think how easily a perfect combination of those four elements would be undone in an instant by a nose like Worzel Gummidge's. Happily, Riley's nose is lovely, which means her boobs, bum, fanny and legs are all unsullied and she comes up smelling of roses.

A delve into the secret lives of prominent pornstars as two of our favourites – Courtney Cummz and Cassidy – here demonstrate how they keep their bodies in prime fucking condition.

Turns out it involves going to the gym – who knew? Of course, to fuck at the top level you've got to be in peak condition, whereas we keep in perfect wank condition by, er, just wanking a lot.

"Do you know how hard it works the muscles to squat on top of a cock in reverse cowgirl and then to bounce up and down on top of it for 15 minutes?" Courtney asks us. And of course we don't know how hard. How hard?

"Very fucking hard, that's how hard. But it's all worth it. A few gym sessions and we're both ready to go again."

We're exhausted just watching...

THIS MONTH

SANDRA

PHOTOGRAPHY: DDF

SANDRA

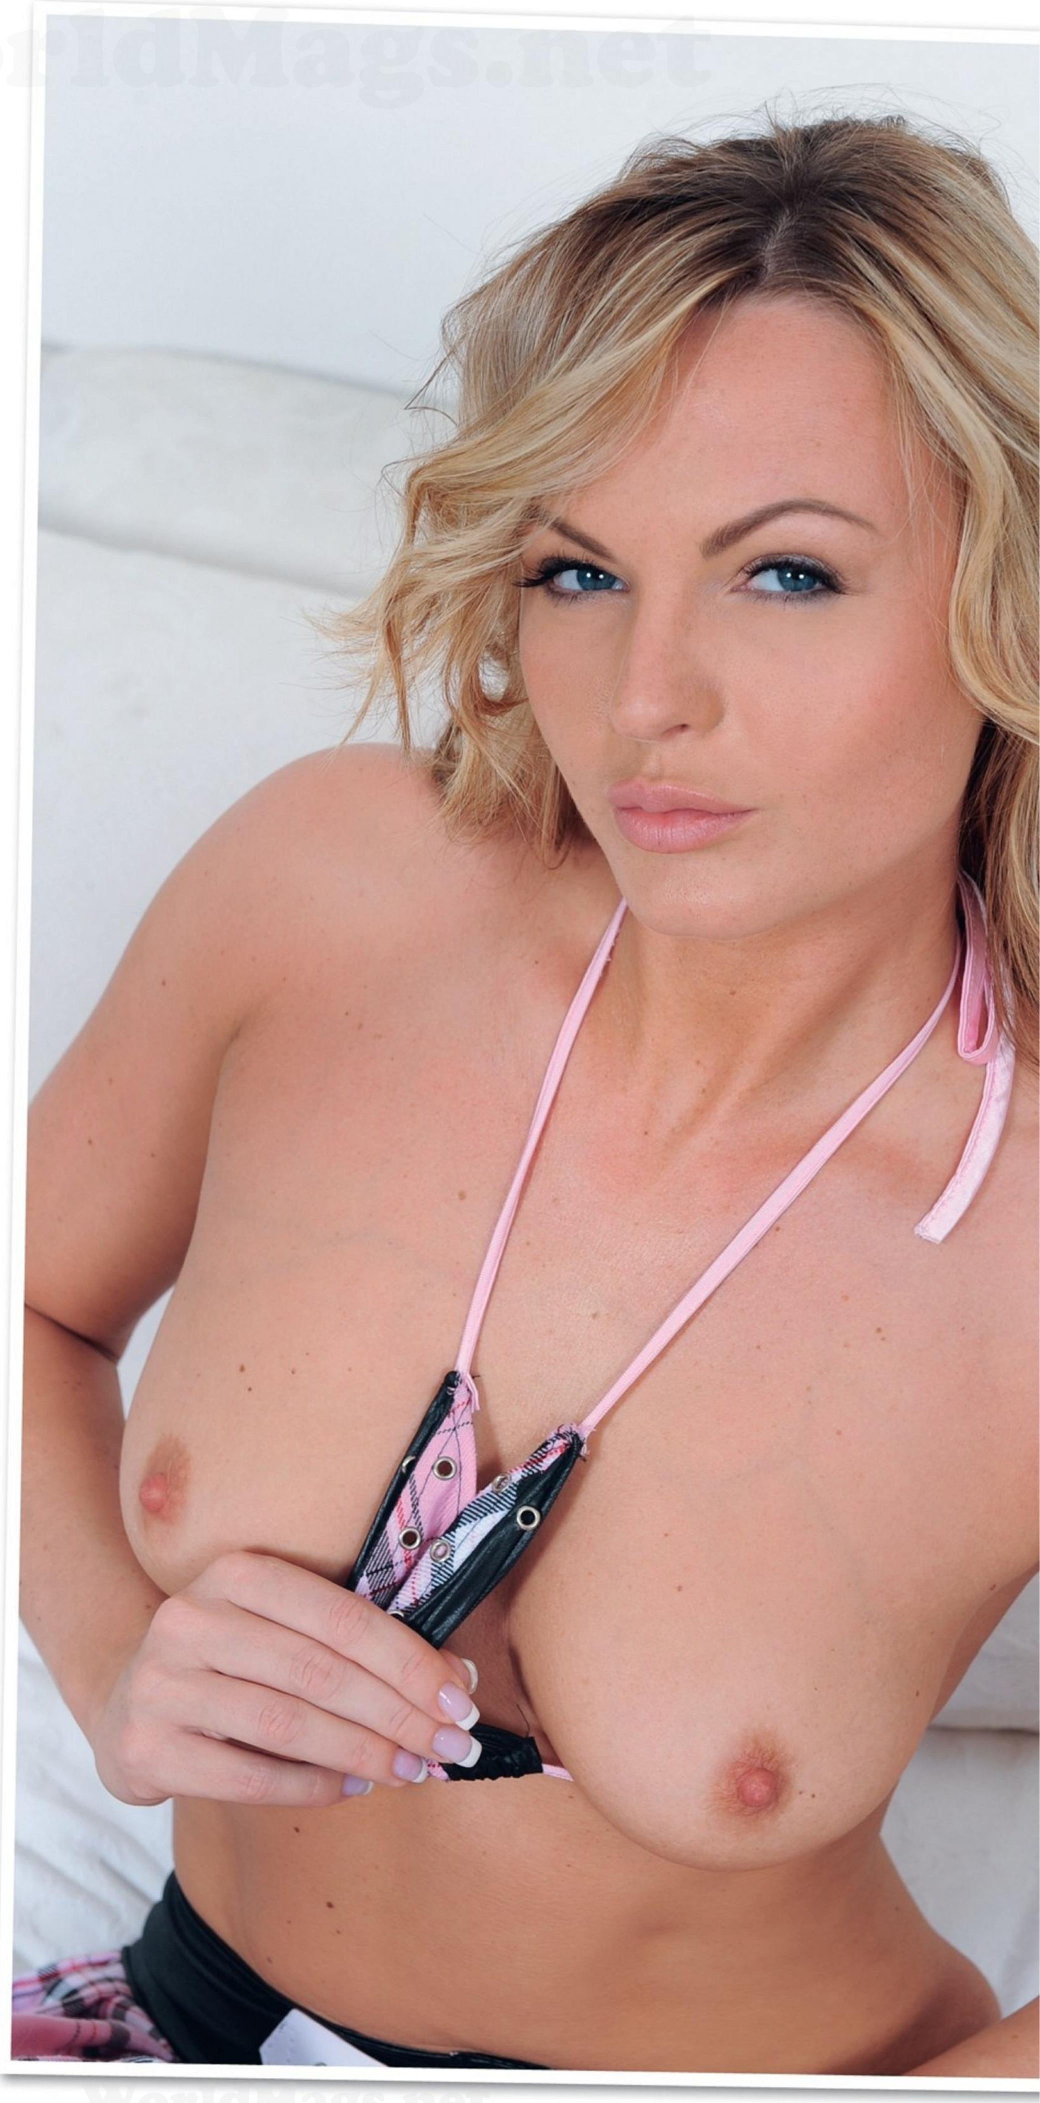
I'm pretty new to modelling so this whole world seems a little strange to me. There are lots of weird rules, bizarre moments, existing friendships and weird things that it's taken me a little while to get used to. I only did my first shoot about six months ago, and I haven't gone down the hardcore route yet (and I'm not sure I will, either) but already it's been eye-opening. There are photographers you really wanna work with, there are those you really don't. There are models who can be fun and friendly on set, there are others who are unimaginable bitches the second you say hello to them. There are mags you want to be in (like this one!) and there are some you really don't, not if you want to get work again. It's a minefield.

So yeah, I'm getting to know the ropes and I'll tell you about something that happened to me recently, so you can get a better idea of how a naïve young lady like me can lose her way. I didn't do anything wrong, don't worry, and I actually enjoyed the experience I'm going to tell you about, but the whole thing reminded me that you have to be careful what you get up to in the adult biz.

So, I'm in my second year at uni, and this modelling lark has purely been a way to get extra money to see me through my studies. I didn't want to be one of those graduates with tens of thousands of pounds of debt, so I figured the best thing to do would be to make some dirty money fast. No fucking on film, no crazy stuff, just nude modelling. And I got off to a good start: booked in for a bunch of shoots, and cos I'm easy to work with, the photographers put my name around and I got plenty of shoots under my belt within a short space of time. I've been putting the cash into a savings account too – not just blowing it in the student bar – I'm a good girl!

Then one day about a month or so back I found myself on a shoot with a photographer I'd neither met or heard of before. I took the booking cos he was paying twice what the others pay, and it was just a regular studio gig – a bedroom set, lingerie, nothing weird. I showed up, the guy in question – Nick – was nice and friendly, and good-looking too.

I've been studying pretty hard, so boys haven't been a major thing in my life since starting uni, so the thought of this young, rugged cameraman



I WORKED HIS PRICK BACK TO HARDNESS IN MY MOUTH giving me a good seeing-to flashed through my mind as we got acquainted over coffee.

When we started shooting, Nick went pretty quiet, all the chat dried up like he was embarrassed to be around a naked girl. I gave it everything I had – got myself into some full-on poses, tore my lingerie off pretty quick, opened my pussy wide for him, and put fingers inside myself (which I don't normally do, cos you can't show that kind of stuff in British mags anyway).

Nick kept snapping away, but he never got in for any close-ups. I realised I was driving the whole show – it was me calling the shots, changing positions, suggesting angles, that kind of thing. And it soon became very clear to me that this Nick guy had never taken a photo of a naked girl before. There was no way. He could barely look at me. So I stopped and asked him just what the deal was.

Nick put the camera down and told me he was a still life photographer, that he mainly just did stuff for image libraries. He'd never done nudes before, didn't have any contacts in the adult industry, he'd just put the feelers out there cos he wanted to take photos of a naked girl. He had no intention of selling them – he was just doing this for kicks!

At first I considered being furious, even though he was cute. But then I figured he hadn't done anything that wrong. He admitted he was just going to wank over the pictures later, that was all. I don't know, maybe it was the thought of him masturbating over the pictures of me, or maybe it was just knowing how hot I'd looked moments before with three fingers inside my cunt, but I was very wet at this moment. So I grabbed Nick's hand and thrust it between my legs to let him know just how wet I was.

Well, he might have been a shy guy, but once he was given the all-clear to fuck he was as good as any bloke I've been shagged by. He stuck his fingers deep in my hole, found my clit with his thumb and pulled me close to him, rubbing me into a frenzy as he did. And as he did that I pulled his zip down and freed a nice, above-average cock – so hard and hot already. I tugged at Nick as he fingered me, and forced his head down to my bosom so he could suck on my nipples. They were hard and throbbing, and he took my tits into his mouth one at a time

HE STUCK HIS FINGERS DEEP IN MY HOLE

WorldMags

as he brought me toward an orgasm. Just as I started to feel it rock through my body, he moaned and I felt a squirt of spunk spray across my stomach. So just as I came, he followed suit, unable to control himself in my hand.

I needn't have worried. He was hard again in a matter of minutes, so I threw him back on the bed, knelt between his legs and worked his prick back to full thickness in my mouth. I loved the feeling of it growing between my lips, pressing against the back of my throat. Nick was enjoying it too – he kept crying out with pleasure as I got his cock thick and hard for me again. I gave it a sucking for a good five minutes, then crawled up his body, straddled him and slowly lowered my dripping wet pussy onto his penis.

It felt amazing, being filled up by that shy, awkward guy. He was so hard, and I was so wet, but it still stretched me good as I rode him, grinding my pelvis against his. I found my rhythm quickly and clutched him hard as another orgasm shook through my body. This time, he was able to hang on for a bit, so I kept riding him until I'd come about four times. All the while, his hands explored by body, squeezing my tits and running over my arse. At one point, he cheekily slipped his finger inside my bumhole. No guy had ever done that to me before, and he did it just as I was coming so it really intensified the feeling.

When I wasn't able to come any more, I slid myself off his cock and moved back down his body to suck my juice from it. He was coated in the stuff. And as I sucked, he started bucking his hips and I braced myself for the mouthful of spunk heading my way. Even though he'd shot a load just half an hour earlier, there was still a load of it, and I did my best to gulp it all down as he started spraying in my mouth. I still managed to get some in my hair though. Typical.

After we were done fucking I let him take some more photos of me (coated in his jizz!) so he'd definitely have something to wank over. I didn't give him the contact details of anyone at any mags though. I wanted to keep Nick sweet and innocent. That way, next time I pay him a visit I'll know he hasn't been doing the same with some of those bitchy models that make my life hell!

INTERRACIAL SCENE
BAD GIRLS 6

This is billed as Stoya's first ever interracial scene, and we don't think the Digital Playground contract star has stalled on racial reasons. No, the reason is that she's so frickin' pale – virtually see-through – that they were probably worried she'd disappear entirely. Anyway, her scene is pretty sweet, and she's as ethereally pretty as ever. Not into the pale chicks? Then blonde sensation Jesse Jane and sex superstar Tori Black are all in line to soak up a wad as well. In fact, DP are happy to throw lots of stars at this, it's an embarrasment of riches. Now, if only they'd get Jesse to do her first anal scene, we could die happy.

We realise that Adult Channel are merely repackaging a bunch of older scenes together here, but that doesn't mean we can't like it, does it? After all, we don't get to see cockney cumslut Keira Farrell (or Pharrell, or whatever) nearly enough. And we're sad that Suzie Best retired, so it's nice to see her in stockings and suspenders on the end of a dick.

In fact, it's Brit bangers all the way, with Elizabeth Lawrence, Taylor J and others all doing the nasty. The centrepiece is a 6-way orgy with Keira the queen of it all. Christ, but she's a dirty cow when the mood takes her. And it seems to take her here. A nice trip down recent UK porn memory lane.

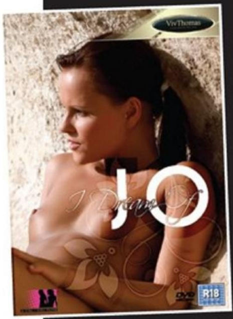
I DREAM OF JO
(Viv Thomas)



Jo may not be known much outside of European porn circles, but over the past few years she's cemented herself as one of Viv Thomas' most successful stars, a beautiful lesbian with fine taste in women.

Here she hand-picks some girls she wishes to wedge her tongue into, to put it crudely, with lovely results. Her tryst with Aleska Diamond is a three-tissue job, while fellow guests Eve Angel and Sandra Shine aren't exactly B-list.

Throw in the always welcome Blue Angel, Brandy Smile, Zuzana and Jo herself, and you've got the kind of sultry lesbo action that Viv Thomas is the master of.

INTERACTIVE DVD

An intriguing departure from the usual porn narrative, director David Lord has used branching tech on this fuck flick so that you can choose the way the story unfolds, in the manner of those 80's fantasy books. It's a success, and adds a great deal to the story. Happily, it doesn't detract from the A-list sex either, that sees Teagan, Tori Black and Alexis Ford headlining, with great support from Bree Olson, Raylene, Jessica Jaymes and Brooke Lee Adams. Oh, and if you want to see Tori get bummed – which we assume you do – you need to choose the right story options! Or, you know, cheat.

SECRET OF MY SUCK-CESS!

In Digital Playground's latest, the porn star Jesse Jane plays a girl with a secret to hide: she's a porn star. Er, okay. We sent Emma Edwards to find out what the hell was going on – and to steal some of Jesse Jane's knickers as well…

Jesse Jane Blackmail

Starring: Jesse Jane, Lily LaBeau, Jessie Volt, Lea Lexis, Manuel Ferrara, Tommy Gunn, Scott Nails, Mick Blue.

Directed By: Robby D.
Available From: Digital Playground.

In a healthy relationship with a budding new lover, Manuel Ferrara, Jesse Jane continues hiding a sexual secret from her past that may undoubtedly bury her future. Vowing to stay silent and lock her secret inside forever, Jesse Jane's perfect life is turned upside down when a lover from her past, Scott Nails, resurfaces. Threatening to expose her secret if she doesn't comply with his kinky requests, Scott sits back as her world comes crashing down. The dubious blackmail has been set, as Jesse Jane becomes the ultimate pawn.

This is the salacious set up devised in award-winning director Robby D's latest spiller for Digital Playground in *Jesse Jane Blackmail*. Utilising Jesse's

"JESSE SUCKS HIS COCK TO POP, BASKING IN THE CUM SHOWER"

supernova star power to the fullest, this tale is chock full of lust, corruption and plenty of hardcore sex. With wild twists and turns waiting around dark corners, will Jesse be able to keep her secret and protect her lover's heart from breaking, or will Scott's blackmail work, causing Jesse to tangle in the webs of her own deception? You're going to have to read on to find out!

The movie begins with Jesse and Manuel holding each other tight, in a lover's embrace across their bed. Obviously having just completed a heated sexual encounter, Jesse's blonde hair is tasseled and her perfect pussy lips are reddened and swollen with the onslaught of what looks to be the result of multiple orgasms. "What do you love about me?" she questions, lovingly kissing his lips as he locks his gaze onto hers. "Everything," he smiles, resting his head across her puffy chest pillows as he squeezes her tight.

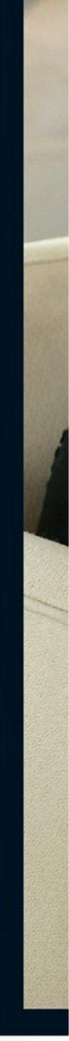
Secure with their love, Jesse continues with her day. Coming home with an arm full of groceries, Jesse is startled to the core the moment Scott Nails comes out from behind a set of bushes. "You've done very well for yourself, but does he know the real you? Shall I bring him some of your movies?" Scott spits, cornering Jesse with fear as her eyes wail up with tears. Apparently, Jesse Jane used to be a porn star. That's the big secret Jesse has been keeping from Manuel. Can you imagine that?

Still frightened, Jesse begins to shiver, "What do you want?" Grabbing her big titties from the confines of her skimpy, cotton dress, Scott leads her into the kitchen and chugs, "You know exactly what I want!" Spreading her out across a bar stool, Scott hikes up her purple dress and gets to work between her legs. Licking her slit and fingering her hole, he makes sure Jesse is naturally juicy for the royal fucking that is to come. Although distraught over this unfortunate turn of events, Jesse can't help but fall victim to the sexual pleasure that is coursing

through her veins like bolts of lightening. "Ah, more!" she cries out, swirling her hips over the contours of his mouth until he clit button pops.

Flipping her in place, Scott bangs her hard in standing doggie, holding her head down across the bar stool as he pounds. Etching the tips of her stilettos into the marble tile for traction, Jesse takes it like a pro, breathing heavy and looking beautiful. Quickly falling to her knees thereafter, Jesse sucks his cock to pop, basking in the cum shower that glistens across her skin like the warm rays of the sun. Hot!

Trying her best to maintain a sense of normalcy in her relationship with Manuel, Jesse can't help but feel remorseful as her deceitful lies start piling up. Now co-hosting a cocktail party at their home, Jesse leaves the room when the friendly conversation turns playfully sexual. Chasing after her to see what is wrong; Mick Blue and Jessie



“MICK IS GRANTED ENTRY INTO HER BACKDOOR IN SPOONS”

Volt are left alone in the living room.

Obviously heated for one another, Mick pulls down her lacy cocktail dress and begins gorging on her perfect tits. Thrusting her head back, and keeping her eyes closed, sexy goose bumps begin shrouding her tanned skin as she's thoroughly enjoying his titty worshiping session. Once back in position, Jessie unzips his pants and plops his cock across her tongue. Sucking hard until her cheeks cave in, Jessie easily takes Mick down to the balls. “I didn't know you could do that,” he compliments, intertwining her blonde hair through his fingers like rope to help her down again.

Wildly finger-banging her asshole as she continues sucking, Jessie ensures her anus is wet and ready to ride. Slipping it in from the backside, Mick is granted entry into her backdoor in spoon position. She holds herself open at the ankles and seductively licks her lips. She is ready! “Your asshole is so damn tight,” he moans, working up his stride until the froth rimming her pucker begins to lather and pool. Continuing in a few more positions, including anal doggie, Mick yanks his bone from her bum and sloshes his gravy blasts across her pretty face. The results are incredible!

Now, with Jesse under his thumb, Scott pays her another impromptu visit, this time bringing Tommy Gunn along for the ride.

“We're going to shoot a scene here. Hope you don't mind,” Scott insists, opening the door to allow Lea Lexis to come into Jesse and Manuel's home. Outfitted in a skintight red dress, bottle blonde hair and thigh high boots, Lea looks like a total rock n' roll slut. “So, who am I fucking today?” she provokes, trying to shove her tits in Scott's face. “Him,” Scott points, motioning Lea to get to work on Tommy's tool.

Straddling Tommy's lap like an eager jockey, Lea begins grinding her curvy hips around his crotch, leaving gooey snail trails in her wake. Sinking his hands into the fleshy contours of her hips, Tommy is getting all shook up! Jumping off his lap, Lea hikes her dress around her butt cheeks, leaving her panties dangling at her ankles, and lowers her mouth onto his anchor. Wiggling her ass in place, Scott records the entire session, including her mouth as it comes unhinged to fit Tommy's tube steak between her cheeks. “You're so good at that, baby,” Tommy compliments, cupping her blonde hair behind her ears so Scott receives an unobstructed view of the hot oral action.

In the next instance, Lea is riding his cock in reverse cowgirl, cementing the tips of her boots into the carpeting as the muscles in her legs begin to bulge. Swinging her hair

from left to right, Lea thrusts her head back until only the shimmer of her metallic eye shadow can be seen. After some intensive doggie action, Tommy throws this bitch another bone by spraying his milk across her lips. Like a good whore, she licks up every last drop. Sticky!

When Scott returns home, he finds Lily LaBeau lying across his bed. In a gray tank top, leather skirt and sexy boots, Lily looks like a perfect fuck doll, as her curly, blonde ringlets tickle the tops of her shoulders like playful pixie wings. "So, are you going to get any money out of this guy?" she asks, peeling her top off to expose her smallish tits that are decorated with metal bars through her nipples. "Jesse better come through," he contends, "but for right now, why don't you shut up and suck my dick!"

Obviously getting off on being spoken to in that crass manner, Lily opens wide and slides his meat inside. Popping his balls into and out of her mouth like jawbreaker candies, Lily looks picture perfect. Grabbing her head to test out the springs of her tonsils, Scott slithers his snake down her neck. Causing her eyes to bulge out of their sockets, Lily purrs, "I love it when you're dirty with me!"

Waxing her pussy in several more positions, Scott takes his aggression against Jesse out on Lily's labia. Loving the rough ride, Lily begs for more, eventually getting her thirst quenched with a healthy blast of semen to the chops.

In the final encounter, Scott rings Jesse's doorbell with a stack of her porn movies in hand. As a knot begins forming in her chest, Manuel walks up behind her, demanding to know what Scott wants. "I just wanted to give you some movies," Scott smiles, handing Manuel the stack of DVD's. Looking through them, Manuel contends, "Ah man. I already have all of these. Do you have any more for me?"

Having a prior knowledge of Jesse's past, Scott's deceitful blackmail has now been squashed. "You knew?" Jesse smiles, slamming the door in Scott's face. Picking her up in his big arms, Manuel carries Jesse to their bedroom. Arranging her across their striped sheets, Manuel kisses every inch of Jesse's heavenly body, paying extra attention to lick the drip that is now forming around her slit. Spread out for her lover, Jesse urges him to make love to her. Holding her legs back at the knees, Manuel glides his cock inside of her. Wincing as his girth stretches her hole; it takes but a few moments before Jesse's experienced pussy is acclimated to the size of his French baguette.

Once ready, Manuel fucks the living daylights out of Jesse, causing her to flop around the bed as orgasmic blasts send her on a wild ride atop the wavy sheets.

"JESSE SUCKS THE SPERM RIGHT FROM HIS HOSE"

"I can't get enough of you," she says, sinking her nails into his butt and burying her face into the crook of his neck. Egging on the action by milling his butt into her body with her hands, Jesse's pussy is being utilised to its fullest potential.

Without the need for direction, these two pros seamlessly glide into the next sexual position. Now in a seductive side straddle with their faces locked on one another, Manuel continues pounding her puss, sinking his fingers in her anus for good measure. "Naughty boy," she giggles, sucking on her thick nipples as he continues to pound her round. With her puffy lips now wrapped around his pole, she sucks the sperm right from his hose, blasting her face with strands of his sticky stuff. Letting out a roar, as ravenously as an African wildcat, Jesse Jane has undoubtedly taken the very best out of this first-rate performer.

Lost in another passionate embrace, we are meant to believe that the lovers will continue their lives, even better connected to one another than they were before. Well, that is until the next secret is revealed and another torrid *Blackmail* is set into motion!

themselves, and now and then they'd look at me and emit a few squeals. About halfway there they started leaning forward and chatting to me, asking me my name, age and so on. Then they got braver and started asking me if I fancied them and if I was a naughty boy.

I've never been a shy bloke, so I gave as good as I got, and I think they liked the fact that I was game for a laugh. When we got back to Greenwich I asked them for the fare – about £25. They started pouting and asking if they could give me favours in kind. I just called their bluff and said 'alright', which had them laughing a bit uneasily. They exchanged a few glances, whispered to each other, turned to me and said 'alright' as well. There was another awkward moment, and then the blonde one, Julia, said, "why don't you come into mine for a nightcap?" The brunette, Sandra, had a better idea: "Why don't you just climb into the back?"

I got out and then joined them in the back, wriggling in between them. Julia just started snogging me straight away, while Sandra pulled open a few buttons on my shirt. I pretty much had a hard-on before I even climbed into the back, so I was straining at the leash by now. Sandra made her way down to my belt and had that removed in a couple of seconds. I was a little bit nervous as we were parked in a suburban street, and although it was late I was a bit worried we'd get caught. That all disappeared out the window when Sandra fished my cock out of my pants and started licking the helmet, murmuring appreciatively. I had Julia's tits out of her bra by now, and I was unsubtly slurping on her nipples while she giggled.

Sandra was an expert cock-sucker, running through her repertoire of tricks. She kept stuffing about five inches into her mouth, then she'd pull it out and lick it up and down. She pulled my trousers totally off and started kissing my balls, sucking on each one in turn. Banging her head on the way, Julia swung her leg over me and pushed her slick little cunt into my face. It was neatly shaved and I had no problems locating her clit, making my tongue hard to flick at it. All you could hear in the car was a whole load of sucking and lapping noises.

Sandra had pulled her knickers to one side and was rubbing my cock end against her slot, getting herself juiced up before inserting the first couple of inches into her pussy. Her pussy was easily the tightest I've ever felt – it was like a vise – and I could feel her clenching her fanny muscles as she eased herself down my length. By the time I was in her to the hilt the feeling was incredible. She started bouncing up and down on it while Julia continued to grind her pussy all over my tongue and nose.

Julia wanted a go on my dick, so Sandra made way for her. Sandra got on all fours on the back seat and I started fucking her doggy style. Julia felt like a bit of a spare part but soon made amends by reaching under to squeeze my balls while I banged away at her mate. Then she did something I've never experienced before and, bending over, pulled apart my arsecheeks and started licking my bum. I fucked her friend harder, enjoying the tongue probing at my hole each time I pulled back. It was all getting a bit much for me and I told Julia I was about to cum. "Don't cum inside me, I'm not on the pill," she gasped, and so I pulled out quickly. Again, the filthy Sandra came to the rescue of my upholstery and kindly allowed me to dump my spunk all over her face. She didn't care less, squeezing the last few drops out and flicking her tongue out to clean the cum off my cock.

It was time to give a little something back, and so I got the two of them to sit on the back seat and I alternated between them, licking one out whilst finger-fucking the other. After about twenty minutes Sandra came, although Julia took a bit longer. Once we'd all come it went a bit quiet, although Sandra asked me for my phone number as they got out of the cab. I've seen her a few times over the last year and we always end up fucking in my cab up a country lane. I didn't see Julia again. Anyway, here's to those two girls. If you're a cabbie, make sure you pick them up!

TYLAR

PHOTOS: HICKS

WorldMags

We reckon that somewhere in America there's a casting agent with a big book full of potential names for pornstars and models. When he takes a new one on, he picks one out at random and bestows it on the model. After all, who's really called Tylar?

"I am," says Tylar, and bless her she's not as miffed as we would be if you told us we'd got our names from a book. "I used to curse my parents for it, but now it seems the perfect kind of name for the work I do."

So do you think a different career might have beckoned had you been called Gertrude or Celia?

"Who knows? I may have ended up in finance or working in a library. As it is, I've got the perfect name for a model. There are enough Jenna's out there already!"
